A photograph of a wedding reception table. The table is set with a dark green tablecloth, white plates, and orange napkins. In the center, there are large, vibrant pink orchid centerpieces. Several hanging lanterns with a textured, cylindrical design are suspended above the table, casting a warm glow. The background is filled with lush greenery and more lanterns, creating a romantic and elegant atmosphere.

UPGRADES

TABLESCAPE **15% OFF** When you buy as part of the whole shebang

We love working with venues, and many include the basics—like clothed tables—in their room packages. Some venues even add buffet table décor, or they allow you to bring your own, but here’s the thing: you don’t need it. Why? We feel really bad about removing the hours of thought, hard work and money put in to it, but our platters don’t fit around it or it’s not food safe or we haven’t been given enough room. This leads to hurt feelings as of course it would. When we design your tablescapes, every piece has a purpose. We know exactly where everything fits to create a stunning display. The result? A buffet table that looks amazing, flows beautifully, stuns your guests and saves you from buying the extras you don’t actually need. What’s included;-

- Equipment rental for 2 - 3hrs
- Full Set-up
- Table Covering (if venue doesn’t provide it)
- Floral Display
- Tree with Hanging Bauble Lights
- Heart Wreath with Firefly Lights
- 2 X Small Floral (neutral or theme colours)
- Food Display Plinths & Platters (we can also incorporate yours)
- Greenery, LED Candles and Firefly Jars or Wine Bottles
- Serving Platters, Bowls, Utensils & Hand Sanitiser.
- Melamine Plates, Cutlery, Napkins
- After Service - Full Clean up of our equipment
- We can also offer creative ideas and a design session during our consultation to subtly incorporate your wedding theme into the tablescapes including colour themes. £350
