TABLESCAPE

We love working with venues, and many include the basics—like clothed tables—in their room packages. Some venues even add buffet table décor, or they allow you to bring your own, but here's the thing: you don't need it. Why? We feel really bad about removing the hours of thought, hard work and money put in to it, but our platters don't fit around it or it's not food safe or we haven't been given enough room. This leads to hurt feelings as of course it would. When we design your tablescape, every piece has a purpose. We know exactly where everything fits to create a stunning display. The result? A buffet table that looks amazing, flows beautifully, stuns your guests and saves you from buying the extras you don't actually need. What's included:-

- Equipment rental for 4 hrs
- Full Set-up
- Table Covering (if venue doesn't provide it)
- Floral Display
- Food Display Plinths & Platters
- Greenery, LED Candles and Firefly Jars or Wine Bottles
- Serving Platters, Bowls, Utensils & Hand Sanitiser.
- Melamine Plates, Cutlery, Napkins
- After Service - Full Clean up of our equipment
- We can also offer a design session during our consultation

to subtly incorporate your wedding theme into the tablescape including colour themes. £180

BUFFET CENTERPIECE

Six Foot Sandwich - delicious extra large sandwich, spreads over 6 feet of table space - £110

Grazing Tower - A tiered grazing tower of cheese & charcuterie, fruits and vegetables, crackers and chutney - £155

Fruit Display - Beautiful fruit centerpiece with chocolate mousse dip £135

The Cheese Cake - Cheese truckles beautifully decorated with fruits and ribbons and a cheese heart topper. - £175
